

VISIT TO JESUS IN THE EUCHARIST

(When you see the dots, pause and speak with Him.)

**JESUS IS HERE ...
AND HE IS SPEAKING TO YOU!**

My child, how happy I am to see you here,
beside Me! How much I hoped you would say
yes to the ONE who invited you!
Tell me about yourself: I'm listening.
What is troubling you right now?
Can I do something for you?...

REMEMBER: EVERYTHING IS POSSIBLE FOR THOSE WHO BELIEVE!

Is there someone you want to entrust to Me?...
Tell me about your loved ones...your friends
Tell Me what I can do for each one of them...
Do you have any particular problem?... Place it with confidence in my hands!
Is there something wrong with your spiritual life?...
Is there any sin that oppresses you?...
Is there some habit or vice you can't overcome?...
I am happy to talk with you, you are happy to be with me?
Before we say goodbye, will you tell Me if you enjoyed
staying in My presence?...
Will you come back to see Me alone so that we can be heart to heart?...
I am waiting for you...
